Hello Grocery Buyer!

I hope this finds you well. I would like to request a new product line for your store(s). It's called Snikiddy. They make Cheese Puffs, Baked Fries and Eat Your Vegetables™.

I went to their website: [www.snikiddy.com](http://www.snikiddy.com) and printed out this page to give to you.

Snikiddy can be purchased through a variety of regional and national distributors including: United Natural Foods, Nature's Best, Kehe, Snyder's and Tree of Life. Please ask your distributor sales rep if they can bring it into the store or contact Snikiddy directly at 303-444-4405 or email [sales@snikiddy.com](mailto:sales@snikiddy.com). They would be happy to help.

Every product Snikiddy makes is all natural, contains no preservatives, no hydrogenated oils, no trans fats, no corn syrup and all products are gluten free.

I would especially like for you to purchase:
